**RE: Response to Vendor Questions
Landfill Global Positioning System Equipment and Service Request for Bids**

To: Vendors Interested in Submitting Bids

The information contained in this Response to Vendor Questions modifies, supplements or replaces information contained in the Request for Bids, Landfill Global Positioning System Equipment and Service, issued by the Cedar Rapids Linn County Solid Waste Agency (Agency) on July 26, 2022. This Response to Vendor Questions contains two (2) pages of text.

Q1: Will an onsite base station be required for the system?

R1: No, a base station is not required. The Agency's current system utilizes the Iowa Real-Time Network with a cellular data link.

Q2: Does the site have adequate cellular signal?

R2: Yes, the cellular data link for the Agency's current system is provided by Verizon. This carrier has proven to provide reliable coverage at the Agency's site.

Q3: Will the Agency provide a Sales Tax Exemption Certificate?

R3: Yes, the Agency will provide a Sales Tax Exemption Certificate to the selected vendor prior to purchase.

Q4: Will a rover unit be needed?

R4: A rover unit is not included as part of this Request for Bids. The Agency may elect to purchase a rover unit from the selected vendor at a later date.

Q5: You specify a 7-inch monitor for the computer. We have a 7-inch solution but due to the size of the processor it is much slower than the larger sizes. Would you allow an 8-inch monitor?

R5: Yes, an 8-inch monitor would be acceptable.
