

# Forward 2044 Vision Map

## Project Process

### Overall Project Coordination

- Manage overall project scope and budget
- Identification of key milestones (timeline)
- Quarterly progress report for Board

### Project Meetings

- Monthly staff coordination meetings
- Quarterly board updates
- Board workshops (two per year)

### Investigate

- Visit sites using technologies for diversion
- Attend national conferences
- Explore public-public partnership
- Explore public-private partnerships
- Evaluate federal and state funding opportunities
